SUNDAY SCHOOL OFFERINGS

After worshipping online, we invite you back for either of 2 offerings: Children's Ministry Moment video will air at 10:40am on our main Facebook page, and, an all-church Adult Sunday School meeting opens on Zoom at 11am. The Zoom platform is NOT one large group -- it's a way to get connected with just your existing adult class, in a breakout room from our general meeting location. Here's the Zoom link for this Sunday:

BOARD REPORT

We had fruitful conversation and made progress towards reopening worship, Wednesday night in an online meeting. We do not have a firm date of return to in-person worship - instead, we have an outline of safety conditions and concerns we're working on and a driving idea to come back together when the most of us can safely gather. The **Board will meet again May 20**, on campus with safe distancing.

YOUTH SUNDAY PLANS

We're not giving up this valuable tradition -- we're just taking it digital this year! Tune in to Contemporary Worship live next Sunday, May 17, for a specially made service focusing on gratitude and featuring a host of young faces. We're sure you'll be uplifted by their gift to the greater church!

MOTHER'S DAY OUT

MDO is working through plans to reopen for a summer session. We don't yet have an opening date, but we're eyeing a Tue-Wed-Thurs schedule, with the intent to meet parent and family needs in this strange and strained time. The staff is currently meeting in the building regularly, to clean, rework and reorganize their rooms to safely welcome children. State restrictions are a large hurdle to clear, so please keep Carolyn Wallace, her teachers, and the young families who need extra care in your prayers!

MOTHER'S DAY

DRIVE-THRU COMMUNION & BLESSING

MAY 10, 11AM-NOON

BRING YOUR OWN COMMUNION

This **MOTHER'S DAY SUNDAY**, be sure to watch us on Facebook or YouTube to hear from special guest speaker, Lisa Pulliam. And, after each worship service is broadcast as usual, load up the family and cruise to the church parking lot. We're planning a **Drive-Thru Communion & Blessing**, modeled after the same event we held on Easter Sunday. Bring your own communion elements and stay in your car as you drive under the covered entrance facing Broadway, between 11am and noon. (Cars will move from the Loop side of building, towards the Cane's side -- and car-riding pets welcome, too!) Revs. Chris and Ginger will be ready with blessings and photo props, so you can lean out a window and get a **Mother's Day "family portrait" to commemorate Spring 2020.**
