

WELCOME TO FIRST CHRISTIAN CHURCH MOTHER'S DAY OUT

On behalf of First Christian Church, I welcome you and your child to our Mother's Day Out (MDO). I believe that the care and love of your child is essential to the success of our program. Part of the mission of First Christian Church is to reach out to Tyler and the surrounding communities to provide a nurturing Christian environment for all children in an extended family atmosphere. MDO is a program of First Christian Church. MDO will not impose its beliefs or expressions of faith on the students.

My staff and I look forward to caring for your child and sharing with you many wonderful experiences. My door is always open, and I welcome any questions, comments, or suggestions. You may contact me at (903) 581-7936.

Sincerely,

Carolyn Wallace

GOALS

First Christian Church Mother's Day Out provides opportunities for a variety of experiences through which children will...

- Make progress toward better social adjustment, establishing friendships with peers.
- Learn to share and assume responsibility in a group.
- Grow in their ability to think for themselves, to communicate verbally, and express themselves freely through music and art, housekeeping, conversation, stories, and word games.
- Learn through play.
- Build self-esteem and self-confidence through the satisfaction of achievement.
- Be provided problem solving situations that are equal to their developmental stage.

STAFF

We have a dedicated and consistent group of teachers who provide a loving and caring environment. Our teachers have over 50 years combined experience, and Carolyn Wallace has been the director since 1975. Through continuing education, our teachers stay current with new teaching methods, as well as CPR and First Aid. We conduct criminal background checks and random drug testing on each staff.
